

CITY OF SWARTZ CREEK
ORDINANCE NO. 364-WEED NOTICE

The owner, lessee, tenant or occupant of any occupied or unoccupied lot, land or any part thereof in the city on which noxious weeds are found growing shall destroy the weeds before they reach a seed bearing stage and prevent their re-growth, or shall prevent them from becoming a detriment to public health. If the owner, agent, or occupant refuses to destroy the noxious weeds, the city manager shall enter upon the land and destroy the noxious weeds. Expenses incurred in the destruction shall be paid by the owner of the land, and the city shall have a lien against the land for the amount of the expense. The lien shall be enforced in the manner provided by law (Per Section 20-24 in the amount of \$300.00), for the enforcement of construction liens.
